

Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

 C. F. Batchelder, Associate Ed. }
 magazine devoted exclusively to ornithology, illustrated. Price of current
 volume \$3.00

The Code of Nomenclature of North American Birds.

8vo., paper, 1892 **Price, 50 cts.**

This is the CODE OF NOMENCLATURE as originally published in the CODE OF NOMENCLATURE AND CHECK-LIST OF NORTH AMERICAN BIRDS, issued separately to meet calls for the CODE from Botanists, Conchologists, Paleontologists and others who do not require the CHECK-LIST.

ABRIDGED CHECK-LIST OF NORTH AMERICAN BIRDS.

8vo., paper, 1889 **Price, 25 cts.**

A list of the scientific and common names of North American Birds, printed on one side of the leaf only. SERVES WELL FOR FIELD NOTES, LOCAL LISTS AND LABELS.

L. S. FOSTER, Publisher,
35 Pine Street, New York City, U. S. A.

ANNOUNCEMENT TO OÖOLOGISTS.

I wish to call the attention of the Members of the A. O. U. and all others interested in oölogy, the fact that I have one of the largest stocks of birds' eggs, both singles and original clutches, ever offered for sale in this country. A new list is issued every month. Send for July copy at once, which contains an unusually fine lot of species. I desire to hear from every one who is interested in this subject.
